VERIFICATION BASIS

Relevant redacted company documents are available for preliminary review. Full applicable copies and lot-specific reports are provided to qualified buyers at the agreed inquiry stage.

STANDARD WORKING TERMS / ORDER-SPECIFIC PI

Commercial Working Terms

These are the standard working terms used to prepare a quotation. The accepted quotation and pro forma invoice (PI) govern the individual transaction.

STANDARD COMMERCIAL WORKING TERMS

RESPONSE	Sales team response within 1 business day; complete quotation normally within 3-5 business days after all required details are received
PI TIMING	Normally within 1 business day after final terms are confirmed; complex orders may require up to 5 business days
ADVANCE	30% for Natisa-branded or bulk orders; 50% for private-label or custom-packed orders
BALANCE	After loading and approval by the buyer, an authorized representative, or an agreed inspection company; before shipment documents are released
CURRENCY	USD and EUR; beneficiary and payment method are stated in the PI
DELIVERY	Incoterms 2020 rule agreed based on the destination, transport mode, and named place or port
VALIDITY	Quotation valid for 7 days unless otherwise stated

PACKAGING AND ADVANCE QUALIFICATION

The buyer pays the packaging producer directly, or the full packaging cost is collected with the advance. Pirom, Medjool, and special-pack orders may require a higher advance; the applicable percentage is stated in the quotation or PI.
